

Warranty

How confident are we in the reliability and performance of our home standby generator systems? It's pretty easy to tell when you look at a Briggs & Stratton® warranty compared to our competitors. Offering 5-6 years, there's no mistaking we offer the best value generator warranty in the industry. Our standby generator lines come standard with great warranties for lasting protection.

The New Fortress line of standby generators offer the industry's leading limited warranty* of 6-10 years parts, labor and travel.

The Briggs & Stratton® line of standby generators offers a comprehensive 5-year limited warranty*, covering generator replacement parts, labor, and travel. With our standby generators, never pay for the high cost of a dealer's trip to your house, labor, or parts.
